(b) Measurement of Distance.

1. For the purpose of determining the minimum distance separation, the requirement shall be measured by following a straight line from the outer property line of the permanent residence or the temporary residence to the nearest property line of a school, park, trail, playground, licensed day care center, place of worship or any other place so designated by the Village where children are known to congregate or gather.

2. The Village of Shiocton shall maintain an official map showing all prohibited locations as defined by this Ordinance. Stat. 301.45.

4. The residence is also the primary residence of the person's parents, grandparents, siblings, spouse or children provided that such parent, grandparent, sibling, spouse or child established the residence at least two (2) years before the designated offender established residence at the location.
