- (a) Each elected official is the legal custodian of his or her records and the records of his or her office, but the official may designate the Village Clerk-Treasurer to act as the legal custodian.
- (b) Unless provided in Subsection (c), the Village Clerk-Treasurer or the Village Clerk-Treasurer's designee shall act as legal custodian for the Village and for any committees, commissions, boards, or other authorities created by ordinance or resolution of the Village Board. - (d) Each legal custodian shall name a person to act as legal custodian in his or her absence or in the absence of his or her designee, and each legal custodian shall send notice of the designated deputy to the Village Clerk-Treasurer.
- (e) The Village Clerk-Treasurer shall establish criteria for establishing the records system and shall cause the department/office records system to be reviewed on an annual basis.

Sec. 3-3-4 Public Access to Records.

- (a) Except as provided in Section 3-3-6 any person has a right to inspect a record and to make or receive a copy of any record of provided in Sec. 19.35(1), Wis. Stats.
- (b) Records will be available for inspection and copying during all regular office hours.
- (c) If regular office hours are not maintained at the location where records are kept, the records will be available for inspection and copying upon at least forty-eight (48) hours' advance notice of intent to inspect or copy.
- (d) A requester shall be permitted to use facilities comparable to those available to Village employees to inspect, copy or abstract a record.
- (e) The legal custodian may require supervision during inspection or may impose other reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.
- (f) A requester shall be charged a fee of twenty-five cents (25¢) to defray the cost of copying records.
 - (1) If the form of a written record does not permit copying, the actual and necessary cost of photographing and photographic processing shall be charged.
 - (2) The actual full cost of providing a copy of other records not in printed form on paper, such as films, computer printouts and audio- and video-tapes, shall be charged.
 - (3) If mailing or shipping is necessary, the actual cost thereof shall also be charged.
 - (4) There shall be no charge for locating a record unless the actual cost therefor exceeds Fifty Dollars (\$50.00), in which case the actual cost shall be determined by the legal custodian and billed to the requester.

 - (6) Elected and appointed officials of the Village shall not be required to pay for public records they may reasonably require for the proper performance of their official duties.
 - (7) The legal custodian may provide copies of a record without charge or at a reduced charge where he or she determines that waiver or reduction of the fee is in the public interest.

3-3-4

- (g) Pursuant to Sec. 19.34, Wis. Stats., and the guidelines therein listed, each authority shall adopt, prominently display and make available for inspection and copying at its offices, for the guidance of the public, a notice containing a description of its organization and the established times and places at which, the legal custodian from whom, and the methods whereby, the public may obtain information and access to records in its custody, make requests for records, or obtain copies of records, and the costs thereof. This Subsection does not apply to members of the Village Board.

Sec. 3-3-5 Access Procedures.

- (a) A request to inspect or copy a record shall be made to the legal custodian. A request shall be deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under Sec. 19.37, Wis. Stats. Except as provided below, no request may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. No request may be refused because the request is received by mail, unless prepayment of a fee is required under Section 3-3-4(0)(6). A requester may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or federal law or regulations so require.
- (b) Each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of the authority's determination to deny the request in whole or in part and the reasons therefor. If the legal custodian, after conferring with the Village Attorney, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his or her request in a manner which would permit reasonable compliance.
- (c) A request for a record may be denied as provided in Section 3-3-6. If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requester within five business days of the oral denial. If a written request is denied in whole or in part, the requester shall receive a written statement of the reasons for denying the request. Every written denial of a request shall inform the requester that, if the request for the record was made in writing, then the determination is subject to review upon petition for a writ of mandamus under Sec. 19.37(1), Wis. Stats., or upon application to the attorney general or a district attorney.

Sec. 3-3-6 Limitations on Right to Access.

- (a) As provided in Sec. 19.36, Wis. Stats., the following records are exempt from inspection under this Chapter.

- (1) Records specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law;
 - (2) Any record relating to investigative information obtained for law enforcement purposes if federal law or regulations require exemption from disclosure or if exemption from disclosure is a condition to receipt of aids by the state;
 - (3) Computer programs and files, although the material used as input for a computer program/file or the material produced as a product of the computer program is subject to inspection; and
 - (4) Pursuant to Sec. 905.08, Wis. Stats., a record or any portion of a record containing information qualifying as a common law trade secret. "Trade secrets" are defined as unpatented, secret, commercially valuable plans, appliances, formulas, or processes which are used for making, preparing, compounding, treating or processing articles, materials or information which are obtained from a person and which are generally recognized as confidential.
- (b) As provided by Sec. 43.30, Wis. Stats., public library circulation records are exempt from inspection under this Section.
- (c) In responding to a request for inspection or copying of a record which is not specifically exempt from disclosure, the legal custodian, after conferring with the Village Attorney, may deny the request, in whole or in part, only if he or she determines that the harm to the public interest resulting from disclosure would outweigh the public interest in full access to the requested record. Examples of matters for which disclosure may be refused include, but are not limited to, the following:
- (1) Records obtained under official pledges of confidentiality which were necessary and given in order to obtain the information contained in them.
 - (2) Pursuant to Sec. 19.85(1)(a), Wis. Stats., records of current deliberations after a quasi-judicial hearing.
 - (3) Pursuant to Sec. 19.85(1)(b) and (c), Wis. Stats., records of current deliberations concerning employment, dismissal, promotion, demotion, compensation, performance, or discipline of any Village officer or employee, or the investigation of charges against a Village officer or employee, unless such officer or employee consents to such disclosure.
 - (4) Pursuant to Sec. 19.85(1)(d), Wis. Stats., records concerning current strategy for crime detection or prevention.
 - (5) Pursuant to Sec. 19.85(1)(e), Wis. Stats., records of current deliberations or negotiations on the purchase of Village property, investing of Village funds, or other Village business whenever competitive or bargaining reasons require nondisclosure.
 - (6) Pursuant to Sec. 19.85(1)(f), Wis. Stats., financial, medical, social or personal histories or disciplinary data of specific persons which, if disclosed, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such history or data.

- (7) Pursuant to Sec. 19.85(1)(g), Wis. Stats., communications between legal counsel for the Village and any officer, agent or employee of the Village, when advice is being rendered concerning strategy with respect to current litigation in which the Village or any of its officers, agents or employees is or is likely to become involved, or communications which are privileged under Sec. 905.03, Wis. Stats.
- (8) Pursuant to Sec. 19.85(1)(h), Wis. Stats., requests for confidential written advice from an ethics board, and records of advice given by such ethics board on such requests.
- (d) If a record contains information that may be made public and information that may not be made public, the custodian of the record shall provide the information that may be made public and delete the information that may not be made public from the record before release. The custodian shall confer with the Village Attorney prior to releasing any such record and shall follow the guidance of the Village Attorney when separating out the exempt material. If, in the judgment of the custodian and the Village Attorney, there is no feasible way to separate the exempt material from the nonexempt material without unreasonably jeopardizing nondisclosure of the exempt material, the entire record shall be withheld from disclosure.

Sec. 3-3-7 Retention and Destruction of Records.

- (a) **Historical Records.** Under Sec. 19.21(4)(a), Wis. Stats., municipalities must notify the State Historical Society of Wisconsin (SHSW) prior to destroying records. However, the SHSW has waived the required sixty (60) days notice for any record marked "W" (waived notice). SHSW must be notified prior to destruction of a record marked "N" (non-waived). Notice is also required for any record not listed in this Section.
- (b) **Microfilming or Optical Imaging of Records.** Local units of government may keep and preserve public records through the use of microfilm providing the microfilm or optical imaging meets the applicable standards in Sec. 16.612, Wis. Stats. Retention periods and estimated costs and benefits of converting records between media should be considered. After verification, paper records converted to microfilm or optical imaging should be destroyed. The retention periods identified in this Section apply to records in any media.
- (c) **Destruction After Request for Inspection.** No requested records may be destroyed until after the request is granted or sixty (60) days after the request is denied. If an action is commenced under Sec. 19.37, Wis. Stats., the requested record may not be destroyed until after a court order is issued and all appeals have been completed. [See Sec. 19.35(5), Wis. Stats.]
- (d) **Destruction Pending Litigation.** No record subject to pending litigation shall be destroyed until the litigation is resolved.
- (e) **Review and Approval By Public Records and Forms Board.** This Chapter and the retention periods of less than seven (7) years have been reviewed and approved by the Public Records and Forms Board.

(3) **Time.** Is expressed in years unless specifically identified as month or day.

(4) **Authority.** Refers to any specific statutory, administrative rule, or specific regulation that determines retention of the record. In most cases this will be blank because units of government have discretion to establish a time period.

(5) **SHSW Notify.** Refers to whether or not the State Historical Society of Wisconsin has waived the required statutory notification prior to destruction of records.

W Means records are not historical and the required notification is waived.

N Means the records may have secondary historical value and therefore SHSW notification is required on a case-by-case basis prior to destruction.

N/A Means not applicable and refers to those circumstances where a local unit of government is retaining a record permanently.

Title 3 ▸ Chapter 4

Disposal of Lost, Abandoned and Surplus Property

- 341** Disposal of Surplus Village Property
- 342** Lost and Abandoned Property

Sec. 3-4-1 Disposal of Surplus Village Property.

(a) Definitions.

- (1) "Surplus Village Property" is that property which is owned by the Village of Shiocton and which has no further usefulness to the Village. An item of property shall be considered to have no further usefulness when:
 - a. The item or its function has been totally replaced by other Village property and no probable future function exists for it; or
 - b. The Village no longer performs the service for which the item was purchased and no other service can reasonably be provided by the item; or
 - c. The item is no longer able to reliably or economically perform the work required of it.
- (2) Surplus property as defined in this Chapter shall not include land or buildings but shall include fixtures and such salvage as may be taken from a building without structural damage when such fixtures and salvage are not part of a demolition contract. Surplus Village property shall not include property which is obtained by the Village as a result of abandonment or loss by the property's original owner. Surplus Village property shall not include items of property which are traded in for newer items.

(b) Determination of Surplus Village Property.

- (1) Whenever an item of Village property is determined to be surplus Village property on the basis that the Village no longer performs the service for which the item was purchased, the Village Board shall determine whether or not the item is surplus Village property.
- (2) Whenever the fair market value of the item is more than Five Thousand Dollars (\$5,000.00), the Village Board shall determine whether or not the item is surplus Village property.

(c) Disposition of Surplus Village Property.

- (1) Whenever the Village Board determines that an item of property is surplus Village property, it shall dispose of such property as it determines.
- (2) Whenever the fair market value of an item is more than Five Hundred Dollars (\$500.00) and the Village Board has determined, pursuant to the previous Subsection, that the item is surplus Village property, the department head responsible for the items shall dispose of the property by:
 - a. Donation to a nonprofit organization within the Village or to a governmental agency; or
 - b. Public auction; or
 - c. Sale by sealed bid; or
 - d. Negotiated sale.
- (3) In the event of a public auction or sale by sealed bid, the item will be sold in "as-is" condition to the person submitting the highest bid provided, however, that a lower bid submitted by a nonprofit organization or governmental agency may be accepted by the Village Board. The department head responsible for the item shall determine the time in which the successful bidder must remove the item. In the event the item is not removed within that time, the item shall revert to the Village and the amount of the bid shall be forfeited to the Village. In the event no bids are received, the item shall be disposed of as directed by the Village Board.
- (4) No public auction or awarding of bids shall occur under this Chapter unless a description of the item to be sold and an advance notice of the time and place for such auction or bid submission is first published as a Class 2 notice in the official Village newspaper.
- (5) Whenever the fair market value of an item is Five Hundred Dollars (\$500.00) or less and the Village Board has determined, pursuant to the previous Section, that it is surplus Village property, the item shall be either disposed of as set forth in Subsection (c)(2) above or destroyed.

(d) **Determination of Fair Market Values.** Whenever this Chapter requires a determination of the fair market value of an item of property, that determination shall be made by the department head responsible for the property, whose decision shall be final.

(e) Authority to Dispose of Property.

- (1) Except for library materials used by the public library for lending purposes, only the Village Board may dispose of Village property which is not surplus Village property.
- (2) Whenever this Section provides for an auction or other disposition of any property, the Village Board shall be authorized to hire an auctioneer or take such other action as is necessary to properly dispose of the property provided, however, that the fees of such auctioneer and all such costs, other than those for Village labor and the use of Village property, do not exceed the payment received by the Village from the auction or sale of the property.

Sec. 3-4-2 Lost and Abandoned Property.

(a) Village Custody of Lost or Abandoned Property.

- (1) Property which appears to be lost or abandoned, discovered by officers or turned in to the Chief of Police by citizens shall be disposed of according to this Section.
- (2) Lost and abandoned property will be examined by the Chief of Police for identifying marks in an attempt to determine the owner. If identifying marks are present, they shall be used by the Chief of Police to attempt to contact the owner to return the property. If no identifying marks are present, the property shall be taken into custody by the Chief of Police.
- (3) No Village employee shall keep for his or her own use property found in the course of duty, nor take possession of property during off-duty hours when the discovery was made while on duty.
- (4) The Chief of Police shall permit citizens to claim lost property if they can provide sufficient proof that they are rightful owners.
- (5) No Village employee shall receive any lost, stolen, abandoned or other unclaimed property from the Chief of Police, unless that person receives a written receipt signed by the Chief of Police, a copy of which shall remain with the Village Clerk-Treasurer.

(b) Disposal Procedures.

(1) Classes of Property. All property which has been abandoned, lost or remained unclaimed for a period of thirty (30) days after the taking of possession of the same by the Village shall be disposed of as follows, except that if the property is usable for Village operations, the property need not be sold at auction, but may become the property of the Village.

- a. Vehicles.** Vehicles shall be disposed of as set forth in the applicable provisions of Title 10, Chapter 5, of this Code of Ordinances.
- b. Intoxicating Liquor and Fermented Malt Beverages.** Intoxicating liquor and fermented malt beverages shall be destroyed.
- c. Firearms, Ammunition and Explosives.** Firearms or ammunition shall be returned to their rightful owner, destroyed, or transferred to the State Crime Laboratory, the division of law enforcement services of the Department of Justice, the Federal Bureau of Investigation or the Alcohol, Tobacco and Firearms bureau of the U.S. Department of Treasury. Any explosive, flammable, or other material proving a danger to life or property may be disposed of immediately upon taking possession thereof. The Chief of Police and the Fire Chief, after consulting with the County Sheriffs Department, are hereby authorized to determine the disposal procedure, provided, however, that any such procedure will attempt to return to its rightful owner any such material which appears to have been stolen.
- d. Other Property with a Fair Market Value of One Hundred Dollars (\$100.00) or Less.** An item of property with a fair market value of One Hundred Dollars (\$100.00) or less shall be destroyed or sold at public auction. Perishable property

which deteriorates to a fair market value of less than One Hundred Dollars (\$100.00) shall be destroyed.

e. Other Property with a Fair Market Value of Over One Hundred Dollars (\$100.00). An item of property with a fair market value of more than One Hundred Dollars (\$100.00) shall be sold at public auction or by sealed bid.

f. Illegal property. Property which cannot be legally possessed shall be destroyed.

(2) ***Disposal by Auction or Sealed Bid.***

a. Whenever any property under this Section is sold by public auction or sale or by sealed bid, such auction or the awarding of bids shall be preceded by a Class 2 notice describing the property and arranging the time and place for the auction or bid submission; such notice shall be published in the official Village newspaper. The property auctioned or sold by sealed bid shall be sold in as-is condition to the highest bidder. No sale or auction shall occur until the Chief of Police has determined that the property has no value to any probable investigation or legal proceeding. The department head responsible for the property shall determine the time in which the successful bidder shall remove the property. In the event the property is not removed within that time, the property shall revert to the Village and the amount of the bid be forfeited to the Village.

b. Any Village official selling property under this Section shall maintain for two (2) years an inventory of any property not disposed of by auction or sale by sealed bid and shall include a record of the date and method of disposal, any payment received for the property, and the name and address of the person acquiring the property.

(3) ***Lost Property.*** Property which is found by persons and delivered to the Chief of Police for the purpose of locating the former owner shall not be considered abandoned or unclaimed under this Section until thirty (30) days after mailing to the person finding the property a notice that he/she may claim ownership of said property. The Chief of Police shall determine what portion; if any, of the property or its value shall be given the finder. This provision shall not apply to any Village employee finding property in the regular course of his/her employment.

(4) ***Payment to Village Treasury.*** All sums received from the sale of property under this Section shall be paid to the Village Treasury.
